“John Heyer is honest, hard working and will be a Council Member of whom we can all be proud. He has earned my trust.”

**Msgr. David L. Cassato, Chaplain, New York Police Department**

When was the last time **you** could vote in a local election for a person who shared your values and understood the problems you faced every day? And when could **your vote** actually make a difference in who won a local election?

It’s been a long time, if ever. **This year it is different.** We have a candidate – John Heyer – who shares our values, understands the problems we face everyday and can win with our votes. There are five candidates in the Democratic Primary. **All we have to do is vote on September 15th.**

John Heyer was born and raised in our community, went to our local public and Catholic schools, Xaverian High School, and Fordham University.

John Heyer is active in the Sacred Hearts-St. Stephen’s parish where he is a Parish Council Board Member. He supports tuition tax credits.

He has earned the support of Catholic school and parish leaders, Community Board members, Assemblywoman Joan Millman and dozens of leaders of our neighborhood organizations. They know that John Heyer will be a dedicated Council Member who will make our neighborhood a better, safer place in which to live.

**John Heyer will put our values of family, hard work, faith and giving back to your community to work for us in the City Council.**

**YOUR VOTE – AND THOSE OF YOUR FRIENDS – IS CRITICAL.**

**BE SURE TO VOTE FOR JOHN HEYER FOR CITY COUNCIL**

**Vote. Democratic Primary. Tuesday, September 15th.**
